- Your age on January 1<sup>st</sup> generally determines the age class that you ride in for the entire season. You may choose to move up to a higher age class if you are that age, but if you move to a different class mid-season, any existing points you've earned in one class will not be transferred to another class.
- If you wish to ride the event as a chaperone to just keep an eye on a rider, please enter the "P - Parent" class. "P" class riders are not scored and are not eligible for trophies or series points. If you ride as a chaperone AND keep time, please enter a class that is scored, i.e., classes H thru K, or the "X - Trail Rider" class (see below).
- If you wish to keep time and be scored, but aren't concerned with winning a trophy or earning series points, please enter the "X - Trail Rider" class. "X" class riders do not receive trophies or series points, but do get bragging rights!
- Classes A, B, and C will generally ride only the first loop at events. All other classes will run the full course. A, B, and C classes will start in later rows to help minimize traffic and passing on the trail. Trail etiquette includes moving over as soon as possible (generally to the right) to allow faster riders to pass safely.
- Parents and support riders should ride BEHIND their child. It's easier to keep an eye on them, and helps riders develop a better understanding of timekeeping and strategy if they to do it on their own as much as possible.
- The intent and spirit of the Family Enduro Series is to help teach the sport of enduros and timekeeping. Enduro computers are not allowed; only an odometer and clock/watch can be used.
- Your best 7 out of 10 events count towards overall series points. You must complete a minimum of 5 events to be eligible for year-end awards. AMA or District membership is NOT required to ride FES events.
- Please do not use an FES event to "race" as a way of practicing for the adult enduro held on Sunday. If you regularly ride the AMA enduro series, you really should NOT be competing for trophies or points in the FES.
- Have fun, and treasure the time you ride with your kids... It goes by fast! For more info, including the complete Family Enduro Series schedule, event updates, race results, and series point standings, please visit [www.d14enduro.org](http://www.d14enduro.org)
