### Saturday:

Woodstock KTM will offer a light breakfast.

\*\*\*People choosing to ride in the local area will find some great opportunities for local rides posted on the web. There are two single track motorcycle trails nearby at Porterfield (<http://www.vvmapping.com/trails/porterfieldLake.html>) and Bass Lake (<http://www.vvmapping.com/trails/bassLake.html>). There are also GPX files for dual sport and road rides based out of the campground available on the web (<http://dco43054.com/phpbb/viewtopic.php?f=2&t=60&p=154#p154> ).

\*\*\* Cannonshot will share some more detailed information about the riding available in the area prior to the get-together. \*\*\*

\*\*\* If you want to ride and do not have a GPS, do not worry! As is normal with these informal gatherings, people that choose to ride in the area will make it easy for those without a GPS to ride along. \*\*\*

Keep in mind that anyone riding the single track motorcycle trails will require both MI ORV stickers on their bike. Stickers can be purchased in advance on-line at [http://www.michigan.gov/dnr/0%2C1607%2C7-153-10365\\_15070-168458--%2C00.html](http://www.michigan.gov/dnr/0%2C1607%2C7-153-10365_15070-168458--%2C00.html) .

MI also allows unlicensed motorcycles on many of their roads – but not the highway (95) that passes by the campground. This means that dirt bikes without a DOT license will have to be transported a short distance to an intersecting road where they are allowed. Dirt bikes that are not DOT licensed will require the MI ORV stickers to ride the trails and roads in the area. MI ORV regulations can be found at <http://www.offroad-ed.com/michigan/handbook/book.html> .

Woodstock KTM is bringing a grill for people to use on Saturday night. Feel free to bring your own food to grill.

**\*\*\* Woodstock KTM and Triumph will provide dinner (Burgers, Brats, Hotdogs, Chips and Drinks) on Saturday night. \*\*\***

---

### Sunday:

Woodstock KTM will offer a light breakfast.

**\*\*\* Sunday is another great opportunity for those wishing to explore the local dual sport rides and trails on their own. Please keep in mind campground check out is at 3:00 PM, so plan your riding accordingly.**

### **\*\*\*IMPORTANT INFO\*\*\***

For those that are planning to do some riding in the area on their own, there are no formally organized or guided rides associated with this camping event.

There are trails in the area and dual sport rides for the area posted on the web. No doubt some people will get together informally to do some riding in the area. As is usually the case, people will connect based on interests (road ride, dual sport, trail ride), associations, and abilities. If you want to ride, it should be easy to join up with a few others based on your interests.

Anyone planning to ride GPS tracks should download them from the web and upload them to their GPS units prior to coming to the get-together.

There is no cost associated with this informal gathering; however, Woodstock KTM would appreciate a small donation (any amount is acceptable; however, not required) to help cover the cost of camping and food.
