

2005 Forest City Riders Enduro Results

The Forest City Riders would like to thank all the riders for attending our 46th annual enduro. We hope that everyone had a great time. We had a record turnout for this years event and everyone in the club enjoyed themselves.

Looks like 19 riders need to ride the arrows not the field. If you were one of the riders that missed OB # 3, it was right at the end of the event. If you rode the field you missed it. Thanks to the riders that rode the trail! If you missed check # 10, you just were not following the arrows well enough.

Looks like the club will be reimbursing two landowners for their hay fields this year. One area we as a club could have done a better job on marking off the field so I won't hold the riders responsible. The other one I will hold the riders responsible as we had it staked and doubled arrowed to stay between the stakes, but looks like no one did. Hopefully we can use the land next year and everyone will ride where they are suppose to go.

Thanks again for coming!

Ryan Moss
Enduro Chairman
